Dear Landowner:

This letter is to inform you that in the very near future contracted consultants representing National Fuel Gas Distribution Corporation and/or company employees will be working in your area in the immediate vicinity of our existing natural gas pipeline.

The purpose of their presence will be to clear the right-of-way area of brush and trees in order to maintain access and assure the safe operation of our pipeline. Every effort will be made to minimize any inconvenience caused and assure the expeditious completion of this project.

If you have any questions regarding this matter, please contact me at (716) 857-7755.

Thank you in advance for your cooperation.

Sincerely,

Matthew B. Ishman
